COLLEZIONE CAMINETTI

GRASSI 1880 SPA

Camino a disegno

Un’area di relax raccolta e privata, ma anche aperta all’accoglienza.

Il caminetto su disegno è stato realizzato in pietra levigata bianco avorio assieme a mattoni in pietra bocciardata giallo dorato, si crea una suggestiva quinta scenica.

I sedili in pietra prolungano il caminetto con un effetto intimo e funzionale.

Camino Tactile

Tradizione, cerimonialità, cultura.

Ne emerge una dimensione che valorizza con eleganza dettagli importanti di questo ambiente classico e raffinato.

La pietra giallo dorato riprende e armonizza con lo stipite in pietra della porta.

Camino Dublin

Decorazione squisita e dettagli preziosi danno vita, forma e colore a un'ambientazione indimenticabile.

Il colore della pietra si integra con l'ambiente luminoso dalle tinte pastello a ricordare i colori della Provenza.

Il camino Dublin in giallo dorato si sposa perfettamente con arredi ed accessori

Camino Romanic

In questo ambiente arioso, classico, ma che ben si presta ad incusioni contemporanee, la pietra bianco avorio aggiunge atmosfera con la sua luminosità.

Il camino Romanic con le sue forme pulite si integra con ambienti definiti da linee precise giocati nei toni del beige.

Camino London

La suggestione di fine 800 in perfetto stile British prende forma nella zona giorno.
Bianchi serramenti alle finestre, ricche tappezzerie alle pareti e la classica poltrona in pelle per assoporare il calore del fuoco.
Il caminetto magistralmente lavorato dai mastri artigiani è in Giallo dorato.

Camino Lions

Notevole l'impatto scenico di questa scultura-caminetto, il leone simbolo del proprietario di casa è il silenzioso e potente protagonista della sala.

Realizzato in pietra bianco avorio nasce dai maestri scultori, diviso in pezzi per poi essere rimontato in loco.

Il camino domina il prestigioso ambiente, giocando cromaticamente con gli elementi d'arredo scuri e specchiandosi sul pavimento in bianco avorio levigato.
